Judges

The Court orders that the claim of appeal is treated as an application for delayed appeal and it is GRANTED. The claim of appeal was not timely under MCR 7.204(A).

Court-appointed attorney, William Metros (P42246), shall pay or show cause why counsel should not pay court costs in the sum of \$250.00 under MCR 7.219(I), for counsel's negligence in failing to file a timely claim of appeal in this cause. The attorney shall file either an original and four copies of a written response to this order or a check in the sum of \$250.00, payable to the State of Michigan, within 14 days after the Clerk's certification of this order.

The costs are assessed for the needless additional work required of this Court by the failure of the attorney to file a claim of appeal pursuant to rule. Consequently, the costs are personal to the attorney and shall not be charged back to the county.
